SOURCE

Locally sourced sustainable Appalachian hardwoods. (See Appalachian Hardwood info)

GRADES

Select & Better - Consistent in appearance with natural color variations. Other natural character features very very limited in size and number.

Minimum length allowable - 11-1/4"

Average Length (Packaging: 7'/10') - 32"/42"

Select & Better Long - Consistent in appearance with natural color variations. Other natural character features very limited in size and number.

Minimum length allowable - 36"

Average Length (Packaging: 10') - 56"

1 Common - Prominent variations in coloration and natural characters, but limited in size to less than 1/2" diameter.

Minimum Length allowable - 11-1/4"

Average Length (Packaging: 7'/10')=32"/36"

Euro Character - Wide variation in both color & natural characters consisting of a mixture of the grades above, allowing for a floor with longer planks. Purpose is to draw focus away from floor down to the individual planks' characteristics. All characteristics must be sound.

Minimum length allowable - 24"

Average Length - (Packaging: 10') - 48"

#2 Common - May contain wide range of imperfections both natural and manufacturing. Purpose of floor is to provide a flooring suitable of general utility use, where acceptable lengths are short and wide range of color and character marks are present.

Minimum length allowable - 9"

Average Length - (Packaging: 7') - 24"
